Why this template is effective?

1. Concise Subject Line

- Make it specific and relevant.
- “Product Analyst Role at [Company Name]”

2. Personalized Greeting

- Address the recruiter by name
- “Dear [Recruiter’s Name],” shows you’ve done your research.

3. Zero Praise

- You don't need to explain why you chose that company
- Recruiters and HR's like direct approach

4. Clear Purpose

- State your purpose early in the email.
- “I am interested in an Analyst Internship at XYZ.”

5. Relevant Experience

- Highlight your important experience and skills.
- “I have 3 months of Data Analyst experience and skills in SQL, Python, Tableau, and Excel.”

5. Relevant Experience

- Highlight your important experience and skills.
- “I have 3 months of Data Analyst experience and skills in SQL, Python, Tableau, and Excel.”

6. Attachment and Links

- Attach your resume and include hyperlinks.
- “I've attached my resume for your review. PS: [GitHub Profile] | [LinkedIn Profile]”

7. Gratitude and Sign-Off

- Thank the recruiter for their time and consideration.
- “Thank you for considering my application. Regards, [Your Name]”
